

EPDM Colored Granule

Description

EPDM Rubber Granules consisting of 100% virgin EPDM crumb rubber.

Applications

Used for running track surfaces, playground wearing course and other various applications. This material can be spreader-applied, paved or mixed and troweled "insitu" with the appropriate equipment in conjunction with an approved binder.

Features

- Virgin EPDM polymer (sulphur cured)
- Free flowing out of the bag
- Made from the highest quality raw EPDM materials available (Not "off-spec" EPDM)
- 1-4 mm, 1-3 mm and .5-1.5 mm Sizes available, Sieve analysis standards upon request

Typical Physical Properties

<u>Test</u>	<u>Result</u>
Specific Gravity	1.15 – 1.25
Hardness (Shore A)	55 – 70
Rubber Hydrocarbon Content	35% Minimum
Tensile Strength	3000 psi

**Results may vary slightly, relative to the average scrap rubber raw material used.

Storage and Handling

Keep material dry at all times and out of direct UV contact while in the plastic packaging. *Read the EPDM Colored Rubber Granule "Material Safety Data Sheet" before handling, or using this product.*

Packaging Form

Available in 40 bag pallets, in 55 pound (3 mil high strength "clear" plastic bags)

Colors Available

Terra Cotta Red, Green, Blue, Yellow, Brown, Purple, Beige, Gray, Orange, Teal, Earth Yellow, Bright Green, Bright Blue, Bright Red

The information herein is to assist customers in determining whether our products are suitable for their applications. Our products are intended for sale to industrial and commercial customers. We request that customers inspect and test our products before use and satisfy themselves as to contents and suitability. We warrant that our products will meet our written specifications. Nothing herein shall constitute and other warranty express or implied, including any warranty of merchantability or fitness, nor is protection from any law or patent to be inferred. All patent rights are reserved. The exclusive remedy for all proven claims is replacement of our materials and in no event shall we be liable for special, incidental or consequential damages.
