

**TECHNICAL DATA SHEET**  
**PremARC® Pigment**  
**Red, Black, Green & Blue**

**Description**

PremARC® Pigment is a versatile product and used to color integral concrete and industrial and architectural water based coatings. It is specifically designed for application on playgrounds and other sport surfacing using appropriate recycled rubber, EPDM and TPV granules.

**Applications**

Pigment used in running track applications for the coloring of the top multiple layers of the rubber surface.

**Storage and Handling**

Protect from freezing. Ideal storage is in a well ventilated area and keep cool. *Read the PremARC® Pigment SDS before handling, storing, or using this product.*

**Precaution**

Prior to application, the user *must* read and become familiar with the risks and hazards associated with the use of this product. Adherence to and observation of proper safety techniques cannot be overemphasized.

**Properties**

	Typical Result	Speciation
Hegman Grind	7	6
Density(lb/gal.)	10.46-11.46	report
Viscosity (ops)	1.00-1.850	report
Spindle/RPM	6/20	report
Pigment Percent	30	report
pH	9.0	8.0-10.0
percent solids	11.88	+/- 2%
Tint Strength		+/- 5%
DE		+/- 1.4
DL		+/- 1.0
DA		+/- 1.0
DB		+/- 1.0

\*These are typical properties of the emulsion and should not be considered specifications. Copies of the specifications are available upon request.

**Handling**

Wear proper protective equipment at all times. Avoid contact with skin and eyes. In the event of eye contact, flush eyes thoroughly with water and seek medical attention. Consult SDS before handling and observe all recommended safety and handling practices. Pressure can build up in new and previously opened containers, open all containers carefully. Protect open containers from moisture. Dispose of contaminated materials and empty containers in accordance with Federal, State, and Local regulations.

**Customer Notice**

ARC encourages its customers to review their application of ARC products from the standpoint of human health and environmental quality. To help ensure that ARC products are not used in ways for which they were not intended or tested, ARC personnel will assist customers in dealing with ecological and products safety.

**NOTICE:** The information and data contained herein do not constitute sales specifications. The product properties may be changed without notice. No liability, warranty or guarantee of product performance is created by this document. It is the Buyer's responsibility to determine whether ARC products are appropriate for Buyer's use and to ensure that Buyer's workplace and disposal practices are in compliance with applicable laws and regulations. No freedom from any patents owned by ARC or other industrial or intellectual property rights is granted or to be inferred.
